# ***Protect your Company & Family from a DATA Disaster!***

## **THIS IS REAL! HOW WOULD YOU COPE?**

- Companies are being devastated by the time, expense, and frustration of recreating client, marketing, and accounting data.
- Families are losing irreplaceable pictures and memories!

**For as little as \$10 a month, you'll be protected with DAILY backups!**

**ENCRYPTION TAKES PLACE WITH YOUR PRIVATE PASSWORD BEFORE ANY DATA IS SENT TO US!**

**Restoration of your data using the instructions provided is FREE.**

**“Hard Copies of Your Data!” are readily available anytime!**

Clients on higher plans receive a free copy of their data every six months.

**Automated Messages!** – Your **Onsite Backup Service** will email you:

- if you're inactive for more than two business days.
- if we detect email problems in your backup.
- if we notice you are over your plan limit for data storage.

**Monthly reports with detailed account activity!**
